EDUCATION IN BRANFORD 1878-1978

This year, Branford High celebrates the one hundreth anniversary of the graduating class. We of the Milestone staff feel that this is most important. Therefore, we have chosen to cover these next four pages with reflections of Branford High's past.

In the mid 1870's, Branford decided that it was necessary to educate high school level students in their own building. As a result, Center School was founded. This building served its purpose until the year 1900, when the population of Branford High School grew beyond the capacity of the small Center schoolhouse. A site on Laurel Street was chosen, and the high school was built. Originally, just the two rooms on the second level were used as classrooms. A few years later, four more rooms on the first level were being used, a sign of growth. However, it didn't stop there.

As the years went by, education became more and more vital. In 1928, the Board determined that Laurel Street simply was not adequate. The corner of Eades and South Main Streets was chosen as the site for the school. Curtis Funeral Home had been situated there but was relocated, and the new high school was erected in 1929. For the first time, Branford High had a school that supplied all the

facilities needed for a well-rounded education, including its own gymnasium.

In a report written in 1928, the last year at Laurel Street, Principal John C. Carr explained the situation at hand:

Any attempt at summarizing the school year which has recently closed at Branford High School must naturally be colored by the keen anticipation with which the pupils and teachers look forward to the coming year in our splendid new building. There is little point in repeating at this time the catalogue of deficiencies of the present school building which every principal's report of recent years has cited. Be it sufficient to say that the school has passed through its last year under the handicaps which overcrowding and inadequate equipment have imposed.

I cannot say too much in praise of the loyal co-operation which the teachers have given in overcoming the very trying conditions under which the school has been conducted in recent years. Every member of the staff has contributed a vast amount of time, far beyond what might be reasonably expected, to extra help for pupils and to other things which resulted in good to the school. During the winter months it

The graduating class of 1915 with class president, John Sliney, bottom row center

was not at all uncommon to find several teachers leaving the building after dark, a fact not generally known or appreciated. It is a source of great satisfaction that the entire teaching force will be with us next Fall in the new building . . .

Extra curricula activities have been necessarily limited, to fit our facilities. The school has had an excellent year in athletics. Our football team won second place in the Housatonic League and our basketball and baseball teams third and second places respectively. The boys who played on these teams maintained at all times fine standards of clean sportsmanship.

It has been very difficult to raise the necessary funds for athletics, but it is hoped that the possession of our own gym for basketball, relieving us of the necessity of hiring a hall will put us in a better financial situation in succeeding years.

The inclusion of physical training in next year's schedule will do a tremendous amount of good to that majority of the student body who do not play on the school or class teams. We have an alarming number of boys and girls with rounded shoulders, flat chests and undeveloped limbs, who can be rounded into good physical shape by the scientific program of a competent instructor . . .

Branford High's basketball team of 1915

Branford High's Basketball Team has always been a winner, even back in 1938.

Branford High School 1978

The dances and social affairs of the school gave the young people an opportunity for wholesome recreation and did not in a single instance bring forth any circumstance that could offend the nicest sense of propriety.

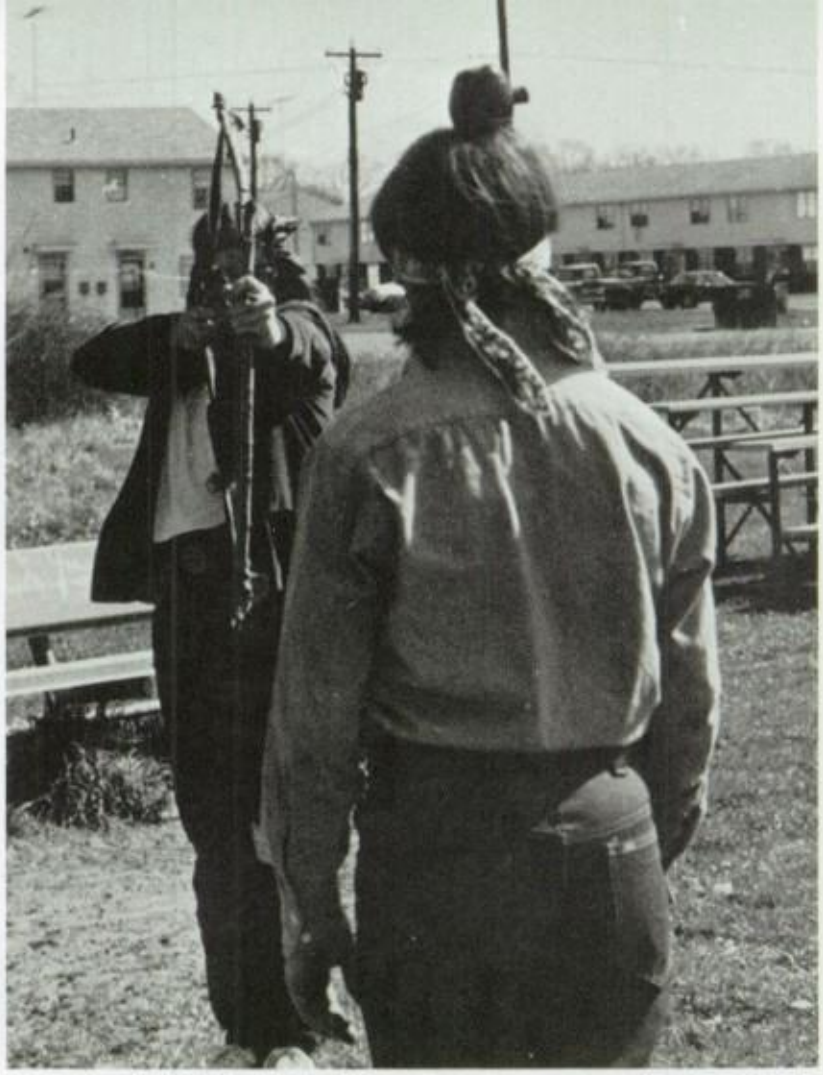
The attitude of the Branford public toward the High School has been uniformly sympathetic and helpful, which has made far easier and pleasanter the task of those who have the school in charge.

With an addition to the original building, Eades Street served as the high school for twenty-eight years.

In 1955 when the student population was growing rapidly, plans were drawn up for a new school on East Main Street. By 1958, BHS as we know it was in full operation.

We would like to thank J. Sliney, S. Beach and the Historical Society for their contributions.

Mr. Maxim: Of course I'm a gourmet! Can't you see I'm eating frog legs?



David Clancy and Val Olson display an unusual way of making applesauce.

Bobby Landino: What? Another fight in the cafe?

Surrounded by Robin Potter and Jill Hagan, Chris Ammann never had it so good.

Congratulations
Class Of 1978

Being a centennial class gives you a very special status, but the awards and honors you have earned in academic and athletic endeavors are the true measure of your success. The faculty and administration at the high school join your parents, relatives and friends in sharing your sense of pride and accomplishment as an important phase of your life is completed.

Your four years of secondary school education have provided you with a solid foundation upon which to build your future. Develop a sense of direction and purpose. Continue to strive for intellectual self-improvement. Your life will thus be richer and more productive.

A disappointing season last year gave our team the incentive to do well this year. The soccer team ranked higher in the Housy than in recent years but what really mattered was the fact that they went further in the state tournament than any previous Branford team. They played as a unified team and had a season to be proud of with John Connell chosen for the All-State team. Next year's team will surely miss their seniors: Jim Thompson, Bob Savastano, Bob Rathbun, John Reilly, Todd English, Co-captains Rich Lynch and John Connell. Their enthusiasm helped give a team with excellent skills the initiative to win. ALL HOUSY: John Connell, Todd English, Rich Lynch.

Rich Lynch awaits the call from the ref.

Coach Cathy McGuirk

Don't worry, Jennifer, the Hornets will pull through again.

This year's field hockey team gained two new members: Coaches Cathy McGuirk and Sandy Fischer. Although it was their first time coaching field hockey, their efforts were visible as they led the team to a 4-7-2 record. This was far better than last year.

Our seniors who were outstanding in leadership and motivating spirit were captain Karen Burrows, Mary Catherine Scalora, Jane Taragowski, Louise Redding and Patti Suppe. The team showed consistent improvement with every game. Next year we will improve even more. The whole team is grateful to the coaches, seniors and to their teammates for attaining the goals that can only be achieved by a team effort.

CROSS COUNTRY

Dedication was the motivating force behind this year's Cross Country team. Even with the absence of Captain Peter Zack the team remained close, worked hard and never gave up. This year's team was fairly young and inexperienced with Jan Skelton and Pete Zack being the only seniors. The team had four girls, more than any previous year, with Linda Dahlin qualifying for the Girls' State Open. Except for two, the entire team should be returning and Coach Petela foresees a good season.

THE HEARTBREAKER

Opening kick-off of the 1977 football season found us once again pitted against Derby High School. Although we lost by a dramatic score of 21-18 Branford was in the game until the final seconds.

Hornet highlights of the game were John Kenney's 38 yard touchdown run. Mike Brereton also scored on a 16 yard run. Quarterback Ray DeFrancesco threw a 48 yard pass which was caught in the end zone by flankerback Kyle King. Leading the pack on defense were Mark Borrelli, Ken Boyington, and Kevin Potter.

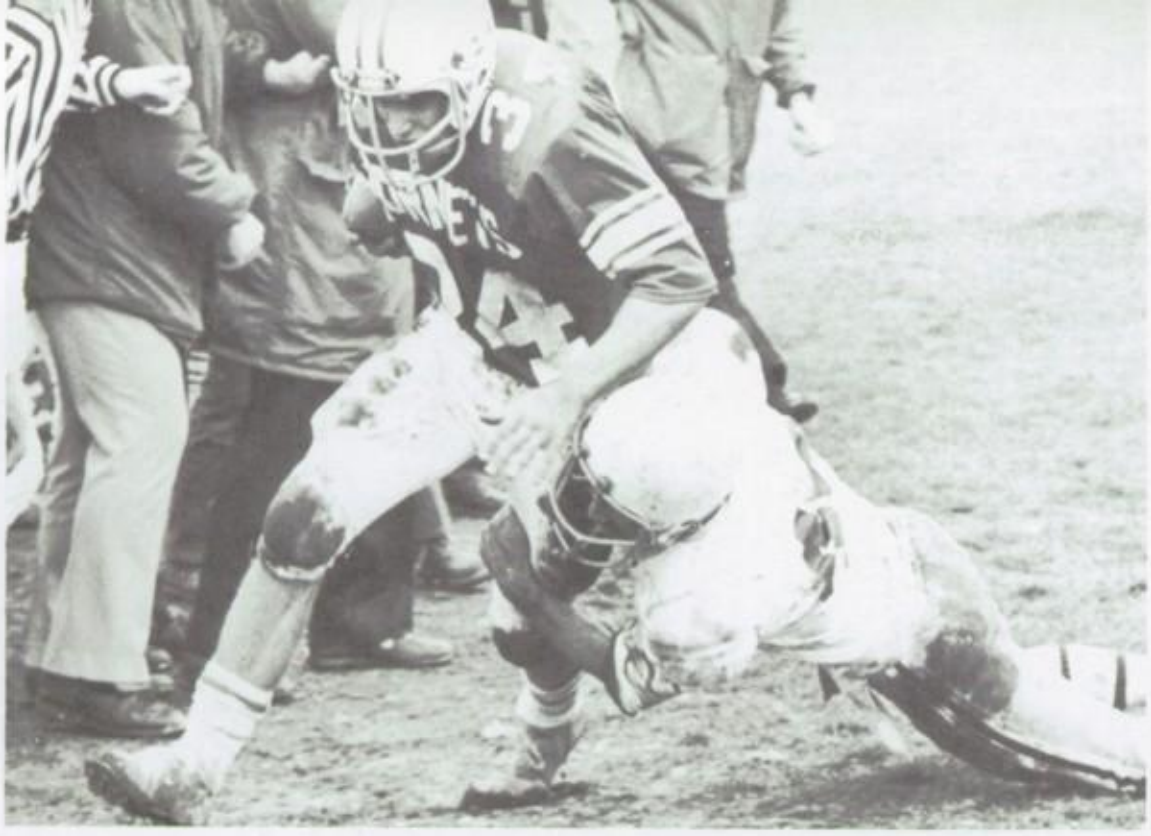
Middle right: John Kenney is brought down after a long yardage gain.
Right: Ken Jasudowich gets a little needed assistance by Pete Mullen.



The traditional "Turkey Day Rivalry" saw Branford victorious over East Haven for the fifth consecutive year with a score of 12-7. This game was the greatest contest of the season and showed the Hornets at their best.

Senior quarterback Ray DeFrancesco did a superb job and Rich Frink made many outstanding receptions. The offensive line came through with flying colors led by Mark Borrelli, John Villano, Dave DeLise, Blake Cramer, Dave Moon and Rob Bowers all turning in exceptional performances. Defensive tackles John Villano, Mark Borrelli and Ken Jasudowich led the charge while All-Housatonic linebacker Ken "Pappy" Boyington played a key role in making the Thanksgiving Day game most exciting.

THE VICTORY

VOLLEYBALL

What makes a great volleyball team? Determination, skill, hard work, team spirit . . . By displaying these qualities and many more, under the superb coaching of Toni Cartisano, this year's girls' volleyball team was a perfect example. Their 9-7 won-lost record qualified the team to participate in the state tournament. The team went into the tournament ranked 21st and came out ranked as one of the top 12. The captain, senior Tricia Zimmerling, helped to lead the team to many victories with her enthusiasm and guidance. Other seniors on the team were Nancy Geier, Sue Twohill, and Lori Festa. This year's team was a very young and inexperienced one who played exceptionally hard and well, especially in the tournament. "Miss C" has high hopes for next year's team.

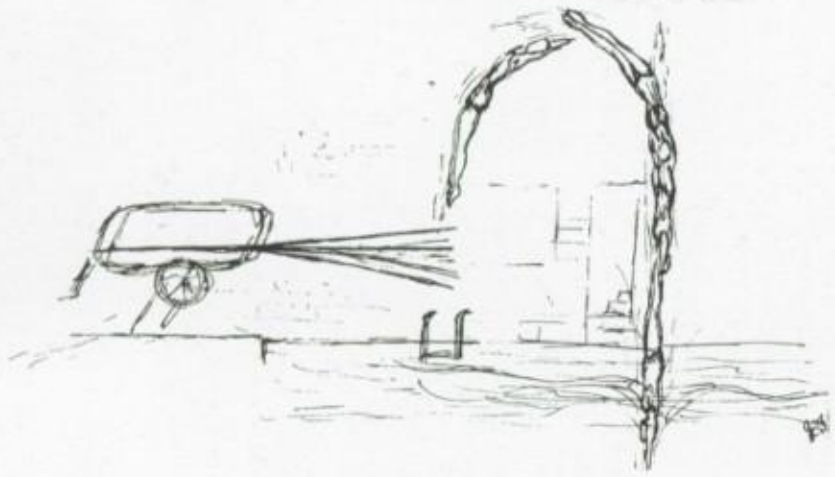
50TH VICTORY



The Girls Swim Team continued its tradition of fine swimming by completing its season with an impressive 6-4 win-loss record. Leading the team were co-captains Carol Redden and Mary Connell. Senior Lorraine Lincoln once again displayed her fine diving talents to help the team along. Outstanding swimming by Kim Milles, Karla Weller, and both captains exemplified the girls' winning attitude.

The Branford team has been a dominating force in the Housatonic League since it started seven years ago. The girls captured their fiftieth victory this year under the coaching of Robert Johnson assisted by Vicky McWeeny.

Right: How to out jump your adversary in one easy lesson as demonstrated by Nancy Geier.

In her first year as varsity coach Toni Cartisano brought the '77-'78 Girls' Varsity Basketball Team to the State Tournament after an exciting win over North Haven. The starting five were seniors Janice Capone, Patti Suppe, Nancy Geier and juniors Ruth Warner and Carol Ball. The all-time scoring record held by Liz Milne was broken by Captain Patti Suppe. Patti also tied the record for points in a single game twice. Nancy Geier earned the record for most rebounds in a game and season. The record for most steals in a game went to Janice Capone.

FINALLY, A HOCKEY TEAM FOR BRANFORD

Going against such established powerhouses as Hamden Hall, East Haven and Fairfield Prep is no easy task for a first year team, but the Hornets stood up admirably. Performances by leading scorer Jim Biondi, Captains Ed Vickerman, Bob Murphy, and John Connell, and strong goal tending by freshmen Jim Vickerman and Tim Cannon demonstrated character. They gave 100% in every game. Special consideration should be given to Coaches Skip Schwanfelder, Kevin McDonough and Dave Hainesworth who did a fine job putting together a promising team.

Although the gymnastics team has been together for only three years, they have improved greatly with the help of Miss Kim Punzeldt and Miss Diane Kul. The team has worked hard and made tremendous progress. The team will be losing four seniors whose gymnastics ability and dedication to the team will be missed. However, there are many promising underclassmen who are sure to take their places and continue the team's success.

This year's team was captained by three outstanding seniors, D.J. King, Jim Nicholas and Jake Palluzzi. D.J. King started as forward with a 21.5 point average and had over 1000 points for his career total. Jake was the man in charge of the court leading the team with orders from Coach Murray. Jim was the team's "big man;" starting as center, he led the team in rebounds. Starting forward, Paul Sturgess closely followed Jim in rebounds. Dave Nanamaker, a very decisive guard, rounded off the starting five to make an all senior lineup. Playing number six and seven men were seniors John Gill and Brian Pendleton, both excellent ball players. Also coming off the bench were senior Bruce Chipkin and juniors Warren Collins and Gerry Nuzzo. Coach Tom Murray, in his 11th year as head coach, had previously led Branford to six Housatonic League Championships. The talents of the 1977-1978 team and the undefeated record made this year's season the

Save a Life day

On November 28, 1977, the Red Cross Bloodmobile came to Branford High School. Seventy-four pints of blood were collected. This new record beat the previous "77" year by about twenty pints. Ninety students and faculty members came to the Bloodmobile with the intent of donating a pint of blood. Co-chairmen Lorraine Lincoln and Cindy Ranalli worked extremely hard at recruiting new donors and all their hard work paid off. The Bloodmobile was a huge success and we thank all those who gave.

Milestone Advisors - Ralph E. Fuller and Connie Berglund.

THANKS

Although sometimes experience helps, the 1978 Milestone had a fresh new start with our two brand new advisors, Mr. Ralph E. Fuller and Mrs. Connie Berglund. The Milestone was designed and put together mostly by students, but our advisors were avilable to touch up the final work. Mrs. Berglund carried most of the load of our endless proofreading as well as tips on design. Mr. Fuller was much appreciated as our chief organizer and communicator. Along with our advisors, we would like to thank all the coaches, club advisors, and students for helping us gather material on school activities, our yearbook representative Mr. Bruce Dupuis who trained and encouraged us, and last year's advisor Mr. Jim Lindsay for his experienced suggestions. Special thanks go to Mr. Philip DeLise for his sincere interest and cooperation in the making of this year's special yearbook. We also express our gratitude to Mr. John O'Connor and the student photographers who captured this year on film.

FBLA

The Future Business Leaders of America is an organization open to all high school students participating in business and office programs. Its goal is to provide additional opportunities for students to develop vocational and career competencies and to promote civic and personal responsibilities.

FBLA - clockwise from top: Scott Vece, Dawn Holmes, Natalie Dolishny, Rosemary Setaro, Luanne Sanna, Lea Santello, Linda Zesner.

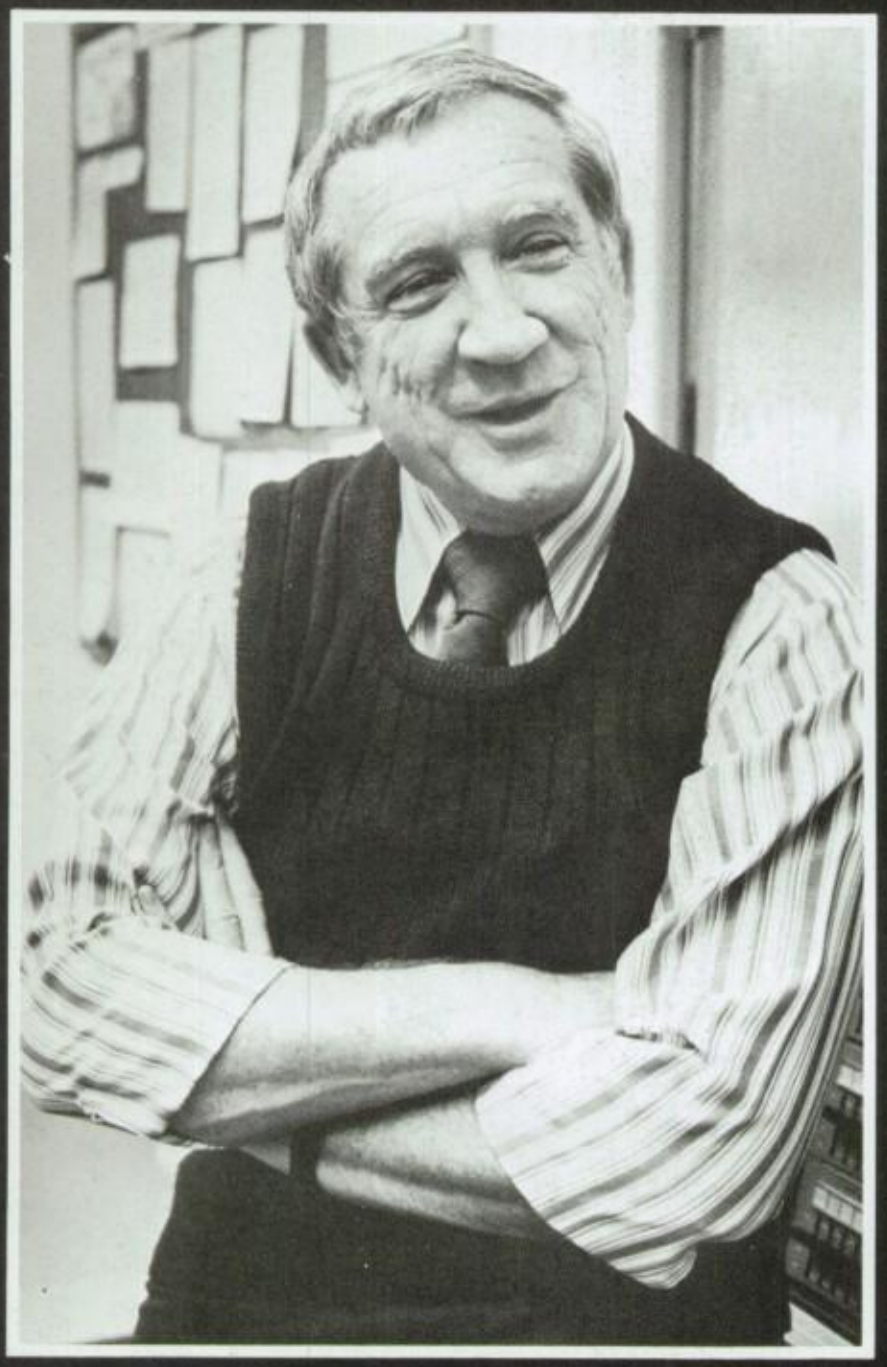
AIM

AIM, which stands for All Interested in Medicine, is a well established club whose members have varied career goals in the medical field. This group of young men and women is especially concerned with the task of aiding people, inside and out of their own community. They have raised money for Easter Seals, American Cancer Society, and other organizations. In addition, AIM has annual parties at the Day Care Center and the Branford Convalescent Center, bringing refreshments, songs, puppet shows, and, most importantly, the smiles that show they care.

AIM - Front: Janice Giaccio; Mrs. Chase; Lynn Moore. Second Row: Mrs. Elaine Brainerd; advisor; Kim Rakiec; Kathy Dombroski, president; Marie Bassett; Steve Cudgma; Mary Jacob; Mary Diverniero; Jackie Dandio, treasurer; Laurie Melcher. Top: Linda LaFogg; Sue McColl; Kathy Hess; Linda Kelsey; Lynne Cunningham; Janet Klockars; Anna Pascarella, secretary.

SENIORS

DEDICATION



APPRECIATION

Who could imagine Branford High School without the reassuring whistle that has always signaled Mr. Cote's presence echoing through the halls? What would we have done without his unwavering support and guidance, from the first bewildering day in high school, right up to our last day as seniors? It seems like Mr. Cote has always been here, at our sides, cheering on the teams at the football and basketball games, deftly clipping off a troublesome lock with his trusty bolt-cutters, or organizing assemblies. He has handled all the innumerable little (and not so little) problems that constitute every day of a high school and handled them with an apparently unending supply of good humor.

So, in recognition of all his contributions, the class of 1978 gratefully dedicates this Milestone to our vice principal and, more, to our friend, Mr. Dominic Cote.

Mrs. Michelina Fazzino means a lot to the class of 1978. To all of Branford High she is a chemistry teacher. But to the class of 1978 she is a helper and a friend. When we were left without an advisor at the end of our sophomore year, she gracefully stepped in and filled not only our need for an advisor but also our dreams for memorable Junior and Senior Proms. She has devotedly given her time, guidance, and support. So, we, the class of 1978, would like to acknowledge her help and service to our class and to say very simply and sincerely, "Thank you, Mrs. Fazzino!"

WAYNE: You are the type of person a Nigger in N.Y.C. in a dark alley would probably like - to trade KISS albums with, that is. All Kidding aside, you're a great kid who keeps his ideas to himself until they are needed. Keep up with you work at whatever it is. Don't quit.

Have a great Summer!

Rob

P.S.- You don't really resemble Gumby, maybe Gene Simmons?!

Wayne,

WHEN I first met you last year in Hart's class I thought you were a tool. (Ha, Ha) But I found out your a pretty good Kid. You play tennis pretty good too! Have a good summer

AL MEZQUIDA

Wayne,

It was fun having you in Hart's class. I don't believe that we were singing! I hope that we can have some classes next year so we can fool around. I wish you good luck over the summer and next year

Ben Rollins

Wayne,

It was a great to meet you But the class was pity Hard we can still handed it I have a great friend like you I 'm happy you should remember me Black Boy in the class

Canth

Wayne,

It's been a good year, let's have next year's class be just as much fun. I will miss your company this summer, the chemistry class, you'll always remember me in your routine bon and your routine bon N.Y.!

Van

Wayne,

It's been excellent having you in my Spanish class. Have a nice summer and go Bosox.

Chip

Wayne.
Another year
just whipped by.
Hey wow! Remember G-H
in our freshman year
Now its J-K Chemistry. Exciting
isn't it. Well we always manage
to get in at least 1 class together.
I'll need you in the summer. If
not then probably see you in the summer, but that
doesn't mean don't drink too much, But that
you can't drink. See you around

Mike "79"

Hey buddy - sure miss ya.
Well gonna rush me! I think
you're gonna pledge. Let me
know if just say what I have to
say, and be done with it.
I think your a good kid
(most of the time) and a great person
to know. You didn't think I'd
say anything bad about you, did I?
Have a nice summer, but make
sure you train and work-out for
football. See ya next year?
